Dear Parent/Guardian:

One of the benefits North Carolina public schools offer parents is transparency. Public school accountability is a standard practice for North Carolina going back to the early 1990s, and the North Carolina School Report Cards provide parents with information on such key issues as scholar performance, teacher experience, and school safety. Data are provided at the school, district, and state levels to enable parents to compare the performance of their scholar's schools with others across the district and state.

Legislation (G.S. & 115C-83.15) passed during the 2013 long session of the North Carolina General Assembly provides an additional measure of school performance in the form of School Performance Grades. Beginning with the 2013-14 school year, the annual North Carolina School Report Cards display a letter grade of A, B, C, D or F for each school in the state.

The School Performance Grades are based 80 percent on our school's achievement score (scholar proficiency) and 20 percent on scholars' academic growth. At Wayne Preparatory Academy, our achievement score for the 2016-17 school year is based on how well our scholars' performed in Grades 3-6 Mathematics, 3-6 English Language/Arts and Grade 5 Science.

The purpose of this letter is to inform you that Wayne Preparatory Academy received a School Performance Grade of "D" for the 2016-17 school year. Wayne Preparatory exceeded North Carolina Academic Growth for the school year and was only one point away from a School Performance Grade of a "C." Based on our recent academic growth, you can see our commitment to enhance the academic growth of our scholars. Even though we are committed to improving this score, it is important to remember that no single score or grade tells the

entire story of a scholar, nor does it tell you everything about the performance of our school or the opportunities it provides. Our Academic Model revolves around teaching scholars at their instructional level, along with supplementing with technological programs designed to enhance student growth.

We hope you will monitor your scholar's academic progress using the parent portal and work with his or her teacher(s) to ensure they stay on track academically. Working as a team, we can only improve upon the successes for our scholars and the school as a whole. We look forward to working with each of you as we advance toward the upcoming academic year.

If you have any questions concerning academics, please don't hesitate to contact the Dean of Scholars or myself.

Educationally yours,

John Twitty
Managing Director
Wayne Preparatory Academy Charter School, Inc.
