PARENT FEEDBACK APPRECIATION

The staff here at WPA greatly appreciates all parent and scholar feedback that has been provided! Your feedback has given us an opportunity of growth for the teachers and the scholars. With your support, we will stay strong during this challenging time.

REPORT CARD PICK-UP • 10/23

Report Cards will be going out October 23! Before the report card can be taken home, a parent/guardian must fill out an updated contact sheet. Once that has been completed, the report card will be distributed.

If a scholar has 65% or lower for any class, there will be a required parent conference to discuss options to better help the scholar. The conference will also allow the report card to be taken home as well.

LIVE CLASS SCHEDULES

With all the fantastic parent and scholar feedback taken into consideration, the teachers have designated certain days and times for live classes. The schedule for those live classes are on the second page of this newsletter. The class that is on the schedule takes precedence over a second live class that another teacher may offer. Live classes will be recorded and posted for students to view if they cannot attend. It is advised that students attend the live classes when possible.

CLASS RING ORDER • 11/18 10th GRADERS ONLY

When the 10th grade scholars pick up their report card, they will receive a class ring order packet. There will be a Herff Jones representative for class ring orders on Wednesday, November 18th 2020 from 10:00-1:00. The scholar must have a \$60 deposit to place the order. More details to follow.
